# **Vacation house**

# What's included in the insurance

The insurance covers both the building and your belongings. You are also covered if you should end up in a law-suit concerning the vacation house. Third-party liability as a property owner is also included.

## **Property coverage**

Here are some examples of events for which you can receive compensation through your insurance.

- Theft and vandalism
- Leakage
- Fire or lightning
- Damage caused by weather related events (such as storms, hail, flood)
- Damage to installations and household appliances
- Damage to food in freezer
- Pest control

## Liability

If you as a property owner receive a claim for third-party injuries we will

- help you investigate whether you are liable for the injury,
- help you negotiate with the counterpart,
- represent you in the event of court action and pay your legal costs and,
- pay the damages for which you are liable.

### Legal assistance

If you as owner of the second home become involved in a legal dispute, you can get reimbursement for an attorney and court expenses.

## **Additional coverage**

If you would like even better coverage, we can offer additional insurances.

#### All-risk building

With all-risk building coverage, you will be compensated if your house or garden is damaged through a sudden and unforseen event. If you for example should drop something that damages the floor or tip over a can of paint.

#### **Small boat**

With our small boat insurance, you can receive compensation if your boat is damaged or stolen.
